OAKWOOD  
POLLED SHORTHORN  
AUCTION SALE

# *Facts Worth Remembering and Considering*

We have developed and shown eight International Grand Champion bulls. All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!

Our show record stands unparalleled!

At the past sixteen Internationals, Oakwood Polled Shorthorns have won thirty championships, one hundred thirty-seven first prizes and eighty-eight second prizes! It is an honor to any herd to have in use a bull capable of siring a winning Get of Sire Group at this great show. We feel it noteworthy to emphasize the fact that seven times we have bred and shown this most coveted group to win first place at the International Livestock Exposition. Furthermore, in seven out of these past 16 Internationals we have ALSO stood in SECOND place to the winner of this most desired honor of all. ON the other hand, no other breeder in the country has ever won more than twice on the Get of any one of his herd bulls. Is not this really top-notch consistency of performance of the type we have striven to produce?

In a nation-wide contest conducted by The Shorthorn World, Oakwood Royal King was voted by popular ballot to be a two to one choice as the breed's greatest sire of all time! Oakwood Royal King spent his entire life of service here in the Oakwood herd!

As further evidence of the influence of Oakwood Royal King in breed improvement, we submit to you the fact that, with his sons and grandsons, we have succeeded in heading the class for the best three bulls at the International Livestock Exposition for ten consecutive years! (In 1938 and 1941 we stood both first and second in this class.) This record, a general acclamation of the best judges in this country, speaks for itself in being conclusive proof of the superior performance of the animals that have resulted from the carefully outlined programme of the Teegardins.

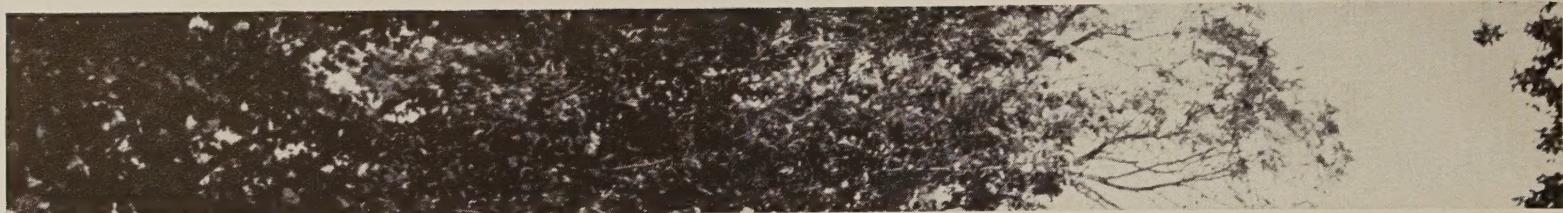

PUBLIC APPROVAL gave us the top sale of the breed in 1940. By the same token we were accorded the top sale in 1941. We repeated in 1942. Our 1943 offering was still better. 1944 topped them all. This year we present our BEST and strongest offering.

We are confident that this offering is our best, both in bulls and females, and good judges who have visited the farm in recent months agree with us.

Eight International Grand Champion bulls have been developed and used here. The worth of these champions and sires of champions will be apparent in this offering. In Oakwood Nonesuch, Imp, Goss-hall Ximenes, Oakwood Command and Alpine Sensation, we have the most outstanding and impressive battery of herd sires we have ever owned.

Confidence displayed by buyers in the past five auctions held at Oakwood Stock Farm has resulted in a supreme effort on the part of the owners to provide for this year's sale the finest collection of both bulls and females that have ever been offered in a Polled Shorthorn auction. That they have succeeded in assembling such a sale offering was obvious to me on the occasion of my recent visit to the farm and will be equally obvious to all who attend the sale. Taking the champions of the greatest live stock shows as their pattern and making use of the blood of these champions in moulding animals of superior type and quality, the owners of the Oakwood Herd have delivered a real service to the Polled Shorthorn industry by making these 50 richly bred animals available to the public.

—Hal Longley of The Shorthorn World.

### **Extra Profits . . .**

Our pride is caused not alone by the fact that public approval of Oakwood Polled Shorthorns has given us the top auction sale year after year. More important to us is the fact that the cattle sold in these auctions have been making money for the buyers. In every major Polled Shorthorn sale where the get of an Oakwood sire or the produce of an Oakwood cow has been offered, the consignor has received a handsome bonus over the average price. The figures prove conclusively that it doesn't take long to pay for an Oakwood bred animal through EXTRA PROFITS. Ask any man who has owned one!

## **Would You Pay A Little More to Get a Lot More?**

On the following ten pages will be found the pictures of some of the famous sires that have been used at Oakwood Stock Farms as well as the pedigrees of those that are at present in service. Those who study this section carefully will know why the top auctions have been held at Oakwood each year. They will also know why the real students of the breed buy Oakwood productions with such a feeling of security.

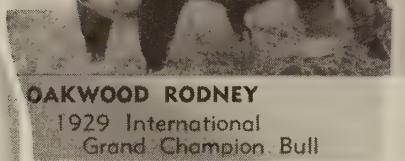

Successful breeders are aware that the management of a purebred herd may be likened to the management of a bank account. . . .*you can't take out any more than you are willing to put in.* Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock. . .and the best ever offered from the Oakwood herd are in this sale.

## Imp. Gosshall Ximenes

When Gosshall Ximenes was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future.

At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximenes could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at \$5700.

His sire, Coldoch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he has proven himself an equally noted sire is now history. Through Coldoch Union Jack and his second sire, Beaufort Overture, Gosshall Ximenes is line bred in the blood of Naemoor Jasper, the top sire of Scotland over a long period of years. While through his third sire, Collynie Nobleman by Balcairn White Eagle, sire of Collynie Royal Leader, he gets an infusion of that most prepotent blood.

It is significant to note that the 1939-1940 and 1941 Perth Supreme Champion bulls represented the combined influence of Collynie Royal Leader and Naemoor Jasper bloodlines and the inheritance back of Gosshall Ximenes leaves no doubt in our minds that his individual excellence and outstanding type will be transmitted to his get and they, in turn, to their get.

His first four calves were sold in our 1944 Sale for an average of \$1925. In this sale we are offering three sons and six daughters and we invite your critical inspection of each one individually, then study them as a group. We consider them fullest evidence that Imp. Gosshall Ximenes is the most impressive sire of this era. Each one is out of a dam that has generations of proven performance to warrant confidence in their basic and true worth. Only heifers in whom we have faith as future brood cows have been mated to him and it is difficult to anticipate their worth. His calves have been proven and they will certainly serve as the standard of excellence for Polled Shorthorns of the future.

## ← OAKWOOD COMMAND →

Oakwood Command is a bull that has been much admired by every cattleman who has seen him. When we sold him as a two weeks old calf, with his dam, in our 1942 Sale, we felt that he was a calf of rare promise. When we saw him again in the Shenandoah Valley of Virginia, we called him the best bull we had found. Since coming to Oakwood, he has continued to develop and improve. His sire is the 1941 International Grand Champion, Coronet Command. His dam is a red daughter of Browndale Golden Victor. His granddam is a red granddaughter of Oakwood Royal King and his fourth dam by the International Junior Champion, Rosewood Renown.

We want every visitor to see this bull. We want you to note his unusual thickness, his compactness, his full bulging quarters, his level tail setting. His head is bully and he looks the part of a sire. We feel he is the last word in a dark colored herd sire and we have used him liberally. Just remember, you who are fortunate enough on Sale Day to own a heifer bred to Oakwood Command, that buyers for your calves from THIS bull need not be sought after, for it is THEY who will eagerly await the opportunity to own one of the off-spring of Oakwood Command.

## Alpine Sensation —

We present Alpine Sensation with a confidence that in him, we have the "most of the best" in any bull we have seen this year. He was Reserve Champion bull in the Polled Shorthorn Congress in February, showing in only medium condition. He has more recently been crowned Grand Champion bull in the show held in connection with the Jackson Co. Ohio Fair. In winning this honor, he met and defeated the strongest lot of bulls that will be assembled anywhere in 1945. He is bred to be a champion. Collynie Impression sired the 1943 and 1944 Grand Champion bulls in the Congress Shows and Alpine Sensation is his greatest son. His dam is a granddaughter of Daybreak's Collynie, son of the International Grand Champion Lord Collynie and Scottish Daybreak 9th, International Grand Champion female. Line bred in the blood of Lord Collynie, we rate him the most outstanding bull of that dynasty that we have ever seen.

He's the shortest legged bull we know of. He's thick, deep bodied, compact and he carries a full deep quarter. His legs set squarely on each corner and he walks out a true champion with style and class. We expect to use him liberally in our herd and we plan to head our 1946 show herd with him. Study him from every angle on Sale day and you'll understand our enthusiasm for him and his future!

## Oakwood Mercurian —

Oakwood Mercurian is to stay at Oakwood to take the place of Oakwood Lieutenant Commander in our herd bull battery. He is a duplicate of his International Grand Champion sire and his dam is not only a granddaughter of Oakwood Emperor, but brings to our herd a cross of the Supreme Perth Champion, Calrossie Mercury. Consider his color, his head and front, his shortness of leg, his perfect tail setting and rear quarter and you will agree that he promises well. He looks a sire. His inheritance guarantees his future!

#### Oakwood Lieutenant Commander

Oakwood Lieutenant Commander has recently left Oakwood at \$4000, the top price of 1945 for a Polled Shorthorn bull. He goes to head the herd of King Bros. of South Africa who made their initial purchase from us in 1939. His calves are most promising and we feel fortunate that a number of our cows are settled to him. See his calves on Sale day and you'll understand why we hated to see him leave and likewise, why King Bros. were determined to own him. Two heifers are selling bred to him and we expect to show a Get of Sire group by him in 1946. That's our best testimony of his ability as a sire!

## **The Outstanding bull of the breed to date —**

We have retained Oakwood Nonesuch for herd bull duty at Oakwood because in him, we have what good judges agree is the most outstanding bull of the breed produced to date. We have shown eight International Grand Champion bulls, but Oakwood Nonesuch is distinctly the "most of the best" that we have ever produced. He is bred to be a most impressive sire, his dam being a dark roan daughter of Oakwood Royal King, thus, he is a double bred grandson of the greatest sire in history. His second dam was a red cow who was a full sister to Oakwood Baron, our first International Grand Champion bull, and a half sister to Oakwood Rodney, 1929 International Grand Champion bull who was exported to South America in 1930 at \$2000. Only the best heifers have been mated to Oakwood Nonesuch and never in the history of Polled Shorthorns has such a select lot of heifers been offered carrying the service of such an outstanding bull. When you study Oakwood Nonesuch we are certain you will share our confidence in him and his ability to make a distinct contribution to Polled Shorthorn progress. His calves in this sale and others in the herd attest his worth.

**Coronet Command**

Coronet Command was the undefeated Junior Champion bull at the 1940 Illinois, Iowa and Nebraska State Fairs before we purchased him to bring him to Oakwood. He was made the Junior Champion bull at the International shortly afterward and came back in 1941 to be crowned the Grand Champion bull of the year at the Ohio, Maryland and Virginia State Fairs and the International. He has proved his ability to pass on his unusual thickness, depth of body, full quarters and compactness to his calves. He was sired by the 1937 International Junior Champion Cherry Coronet, who, in turn, was by the International Grand Champion Count Coronet. Count Coronet was by a half brother to Oakwood Royal King and we are thus continuing our line breeding policy. See his calves and you will appreciate why we are so enthusiastic about him. Study his son, Oakwood Command and you will agree you have never seen a thicker, more compact bull in the breed's history.

**Oakwood Merry King**

Oakwood Merry King — Was the undefeated junior champion of 1938 at the International, the Illinois, Ohio, Indiana and Virginia State Fairs. In 1939 he was the undefeated grand champion at the same shows. The record of his get in the best shows of both 1940 and 1941 is now history. Oakwood Merry King died in 1944 and we assure the buying public that the one promising son and three outstanding daughters listed in this sale will be the last we will offer. The sales of the past three years rate him as the breed's best sire. His get have made good everywhere.

**Oakwood Emperor**

Oakwood Emperor — himself the top sire of the breed by the winnings of his sons and daughters at the leading shows of 1938-39-40-41. He was the undefeated Grand Champion bull of 1936 at the International, the Texas Centennial and the Illinois, Ohio and Indiana State Fairs. He is a son of Oakwood Royal King who was 1930 International Grand Champion and the greatest sire of the breed in the past decade. The dam of Oakwood Emperor was by the 1927 International Grand Champion Oakwood Baron who also sired Oakwood Rodney, 1929 International Grand Champion. Oakwood Pure Gold, a son of Oakwood Emperor, was the grand champion bull at the 1941 National Polled Shorthorn Show and was the top selling bull of our sale in 1941. Oakwood Estelle 15th, a daughter of Oakwood Emperor, was the top selling female in over two decades when she was purchased in our 1941 sale at \$1200 by Dr. Parke G. Smith, Cincinnati, Ohio. Oakwood Emperor died in 1944 and this sale provides the last opportunity to buy his get.

## *About the Bulls in This Sale*

Nine bulls are to be sold in this auction. They represent the top of a year's production and never before has the Oakwood offering contained as much herd bull strength. Individually they are of highest calibre and each inherits the blood of many champions. Three of them are sons of Imp. Gosshall Ximenes, three are by Oakwood Nonesuch, two are by the International grand champion Oakwood Emperor and one by the International grand champion Oakwood Merry King. Four of these bulls are out of dams sired by International grand champion bulls. All nine are dark colored. They are distinctly the best lot of Polled Shorthorn bulls ever sold at Oakwood . . . or ANYWHERE.

## *An Important 2-Day Polled Shorthorn Sale Circuit*

Our sale will be held on Monday, November 12, 1945. The Ohio Polled Shorthorn Breeders' Association Annual Show and Sale will be held in Columbus on November 13, the day following our sale. With 100 head of the best Polled Shorthorns in America selling in the two auctions, this is a trip all far-sighted breeders will want to make. Headquarters for all who attend the Oakwood and Ohio State Sales will be the Neil House in Columbus.

## *And Don't Forget—*

We invite everyone to spend Sunday with us at Oakwood and see every member of the breeding herd along with the sale offering to be sold on Monday.

Lot 1

**OAKWOOD UNION JOCK x2291681**

Roan, calved Nov. 12, 1944. Bred and owned by C. B. Teegardin & Sons, Ashville, Ohio.

**Oakwood Union Jock**

**Oakwood Union Jock** is a full brother to **Oakwood Union Jack**, our \$3000 1944 top bull who was purchased for export to Australia to head the noted Killen stud and who was acclaimed by good judges to be the best bull of the breed produced to date. In **Oakwood Union Jock**, we feel we have a calf fully his equal. We further believe that the ten head offered in this sale sired by **Gosshall Ximenes** will prove conclusively that he has founded a new dynasty in Polled Shorthorn excellence. The outstanding promise of this calf is inherited through his dam (a daughter of the peer of sires, **Oakwood Royal King**) and his grand-dam, who was a many times Grand Champion female in 1928-29-30. He has the head of a sire and withal he is short of leg, deep of body, level in his tail setting, full in his quarters and thickly covered. He could well be the Grand Champion bull of the shows next season and he will surely go down in history as one of the breed's greatest sires.

**Oakwood Restoration**

Oakwood Restoration will be one of the most outstanding bulls we have ever produced or owned. This bull's dam boasts of many distinctions in that she is a daughter of Oakwood Royal King, a full sister to our 1934 International Grand Champion Oakwood Regent, she is out of the same dam as Oakwood Reserve (1930 International Junior Champion) and Oakwood Resolution (an International Champion in 1933 who was exported to Australia where he has proven a leading sire).

Oakwood Restoration is a nugget in type and conformation, with a most impressive head and front and he looks a sire from every angle. He is very compact, deep bodied, full in his quarters, thick topped, level in his tail setting and is covered with a mellow, sappy hide.

This bull combines outstanding excellence with proven inheritance. Whose herd will become famous through his service?

**Oakwood Commodore**

**Oakwood Commodore** is one of the best herd bull prospects we have ever produced. He is a duplicate of Goss Hall Ximenes in color, in depth, in thickness and in character. Never have we been able to offer in our sales three such outstanding sons of any one bull and time alone will prove which will be the best sire.

Oakwood Commodore's dam was a Junior Champion as a calf and she is a perfect brood cow. She is solid red, deep and short of leg; she is a heavy milker and has always produced a top calf. Her son, Oakwood Esquire, topped our 1942 Sale and is making a splendid record as a sire for Dr. and Mrs. Parke G. Smith. A daughter in our herd is priceless. This bull merits your serious study of him from every angle. After such a study, ponder carefully over his background. His ideal color, conformation and inheritance undeniably stamp him as having what it takes to reach the top!

The confidence of Oakwood in this bull is reflected in his service to a few of the top young heifers selling and the fact that he is only leaving Oakwood because we have a full brother recently dropped that we rate as the best calf yet sired by Goss Hall Ximenes.

**Oakwood Messenger**

**Oakwood Messenger** is the only son of the 1939 International Grand Champion selling in this sale. He is the first bull from Mayflower Maid 2d, the solid red cow that produced the 1941 Congress Champion female who is now a valued member of the Lynnwood herd. Another daughter topped the 1944 Lynnwood Sale, a third sold for \$1100 in the 1943 Congress Sale and her last daughter went to Montana Hall in our 1944 Sale at \$900. He looks a sire and a stock bull. Grand head, deep body, thick, full quarters and with ample bone, he fills your eye, for he combines all to recommend him.

**Oakwood Gold Mark**

**Oakwood Gold Mark** represents a rare opportunity to buy a bull who carries as much of the blood of Oakwood Royal King as if he were sired by that peer of all Polled Shorthorn sires. This bull resembles Oakwood Royal King as closely in color, type, thickness, quarter and head as would be possible. We rate this bull as one of the best prospects for a sire that ever left Oakwood. Study him from every angle. See his dam and his sire. Consider his background and you will determine to own him! He looks a sire and his inheritance insures his ability to become one of the top breeding bulls of the present era.

**Oakwood Pioneer**

**Oakwood Pioneer**, a very dark, even, rich roan, is a calf of the same pattern and color as his noted International Grand Champion sire. This calf is one who promises to be the equal of his sire. A study of his depth, thickness, full, deep quarters and his perfect polled head should impress you to take advantage of your last opportunity to buy a son of Oakwood Emperor and this is one of his best. His dam is a dark roan that could be a top cow in any herd, deep bodied, thick, broody and a heavy milker. She is a granddaughter of Collynie Browndale, full brother to the champion Browndale Star. Royal Pioneer was out of a dam by Collynie King Royal and Cloverleaf Royal was an International Grand Champion.

Study this bull and consider his background and there can be no doubt in your mind as to his worth.

**Oakwood Golden Victor**

In Oakwood Golden Victor we have a replica of Oakwood Nonesuch with an ideal rich, roan color that is almost red. You haven't seen a bull with a shorter body, a better tail setting, fuller quarters or with such depth of rear flank. He is a show prospect in every sense and one that will make an equally famous sire. His head promises that he should be like his sire and his grandsire, another 100% dehorner. His dam is a full sister to the dam of Oakwood Command. Oakwood Golden Victor will bring fame and fortune to his new owner for no better background could be found for a herd bull.

**Oakwood Mayflower Lad**

**Oakwood Mayflower Lad** is a dark even roan son of Oakwood Emperor that will not be carrying enough condition to bring his full worth. His dam is a solid red cow, now nursing one of the most promising heifer calves on our farm, a heavy milker and a regular producer. Those who attended our 1944 Sale will recall the excellent daughter of this cow that sold to M. J. Burkhart, Jr., Woodsfeld, Ohio.

His color, his levelness and his whole background insure his future and his worth.

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

## *About the females in This Sale . . .*

Because we pledged ourselves to sell in this offering the fifty best Polled Shorthorns that have gone into an auction sale in the history of the breed, we have gone deep into our herd and are offering a number of outstanding young females that, under ordinary circumstances, would be unavailable. We ask you to note carefully the strong Scotch families that are represented as well as the number of females that have been produced through the blending of the blood of SEVERAL International grand champion bulls. Twenty daughters and granddaughters of International grand champion bulls are to be sold. Seven more heifers are out of dams by International grand champion bulls and twenty heifers in the sale are out of granddaughters of International grand champion bulls. Six heifers are daughters of Imp. Goss Hall Ximenes and six more perfect foundation females have never been offered in one sale before. The offering will contain twenty-seven heifers that are bred to internationally famous stock bulls as well as fourteen beautiful open heifers.

Weigh the worth of females of such matchless inheritance. Never in the history of the breed has their kind been available in such numbers.

In over a quarter century that Polled Shorthorns have been bred at Oakwood we have never had in service as impressive an array of herd bulls. Twenty-seven females are selling mated to these bulls.

**Oakwood Hope 7th**

Remember the full sister sold in our 1944 Sale to Cherry Hill Farm? Sure, everyone does. You will remember THIS heifer equally well for she is of the same pattern, rich in her color and with a head that bespeaks quality and brood cow character. Her inheritance is beyond comparison. Her dam is a full sister to the \$4000 Oakwood Lieutenant Commander recently exported to King Bros. of South Africa. Her grand dam produced the 1940 International Grand Champion Oakwood Commander and her next dam was undefeated in all the state Fairs of 1930 in BOTH horned and polled competition. Few heifers of any breed can match her inheritance. Study her from every angle. Consider the worth of such proven performance and remember that this family has given Oakwood MORE TOP CATTLE than any other. Her worth to any herd is inestimable!

### CHERRY HILL GLOSTER O x2227695

Red, calved Feb. 27, 1944. Bred by C. B. Teegardin & Sons, Ashville, Ohio. Calved property of H. L. Straus, Reisterstown, Md. Owned by C. B. Teegardin & Sons, Ashville, Ohio.

**Cherry Hill Gloster O**

We offer this Reserve Champion of the 1945 Polled Shorthorn Congress, where she was the top selling female, for two reasons. In the first place, we want our visitors to see conclusively that these calves by Gosshall Ximenes improve with age and are better as yearlings than they are as calves. We likewise submit this heifer as testimony to the wisdom of buying good, richly bred heifers at Oakwood, mated to our herd sires. She admirably fulfills each purpose. Her dam was the top female at \$2500 in our 1943 Sale when she was selected by Mr. H. L. Straus as one of the foundation units in the great herd he is developing at Cherry Hill Farm.

Cherry Hill Gloster O could be the winning two year old in 1946 shows anywhere and she will always be a brood cow of unexcelled worth. She sells mated to Alpine Sensation, the 1945 Grand Champion and the greatest young bull we have found in years. When you study him on Sale day your confidence in the worth of the calf she is carrying will know no bounds. Own her and you will have the most of the best! A perfect heifer, whose worth has no limitations!

**Oakwood Estelle 23d**

Oakwood Estelle 23rd is from a family that has consistently produced our best and we hesitate to part with this daughter of Gosshall Ximenes for we feel she would materially strengthen our breeding herd. Her dam is a full sister to Oakwood Emperor and was a Junior Champion as a calf and a member of our show herd for three seasons. What more could be desired in any female? A daughter of Gosshall Ximenes, a granddaughter of Oakwood Royal King, her dam a champion, a full sister to one of the breed's best sires and her third dam the imported cow by the celebrated Naemoor Druid! We haven't a more desirable foundation female and we trust she will go into a herd that aspires to prominence. Her background is proven, her future assured!

**Oakwood Lady Graceful**

**Oakwood Lady Graceful** is a solid red daughter of **Gosshall Ximenes** who adds prestige to his position as a sire. She has unusual depth and thickness, is close to the ground and looks like a candidate for top honors in 1946 shows in the fastest company. She inherits the prestige of no less than four International Grand Champion bulls through her dam who is credited with producing the best female we ever bred prior to the coming of **Gosshall Ximenes**. No family has produced top Polled Shorthorns more consistently than those descending from **Lady of the Meadow** and we rate this heifer as one of the best. What she costs is of no importance if you can own her, for her kind makes herds and herd bulls better known.

**Oakwood Rosewood 23d**

Oakwood Rosewood 23rd is one of the shortest legged, deepest, best headed calves yet sired by Gosshall Ximenes. Her dam is one of the best daughters of the peer of Polled Shorthorn sires, Oakwood Royal King. Her granddam is by our 1927 International Grand Champion Oakwood Baron, whose son was the 1929 International Grand Champion. When you see this heifer, her dam, her sire and the other calves by Gosshall Ximenes, you will appreciate fully our confidence in her future, both as a show heifer and a brood cow. We want to show either this heifer or Roan Lady of Oakwood 2nd in the 1946 show. Buyers can take their choice of the pair and we'll be happy to show the one that is left.

Consider her with a thought of her worth in the show-ring and as a top breeding matron in your herd!

**Roan Lady of Oakwood 2d**

Roan Lady of Oakwood 2d is a perfect example of depth, thickness (natural thickness!) balance and brood cow character. From stem to stern she fills your eye. Her full brother topped his class at the 1945 Polled Shorthorn Congress and was exceedingly popular with everyone. Another daughter of Roan Lady of Oakwood is the dam of Oakwood Mercurian, the young bull we are retaining to take the place of Oakwood Lieutenant Commander in our herd bull battery. Evergreen Roan Lady, the granddam, was undefeated as a yearling at all the State Fairs and the International. Her son, Oakwood Regal Crown, is the sire of some of the top heifers being sold in this Sale. No more proof of the worth of this family would be necessary. We are offering this heifer along with Oakwood Rosewood 23rd, buyer to take his choice, as we want to retain one of them to be our 1946 Junior Yearling heifer. When her show yard achievements are recorded she can still add another chapter as a DAM of champions!

**Oakwood Clipper**

**Oakwood Clipper will please the most discriminating judges for she is a most outstanding prospect for a breeding cow and a show heifer in her own right. We realize that in selling her our own progress will be hampered without her, but she will reflect well for Oakwood and her famous sire, Oakwood Emperor. Her depth of body, her compactness, her thickness and her balance all add up to making her one of the most valuable females we have ever produced. Her breeding is ample assurance of her future, for every bull has made a worthwhile contribution to Shorthorn advancement. We are selling her open for we know her new owner will be showing her at the top in next season's shows!**

**Oakwood Gloster**

Oakwood Gloster is listed only as an attraction and to make certain that our 1945 Sale offering is a stronger one than we have every before catalogued. She is a show prospect in every sense and out of a solid red dam who has produced top cattle down through the years. Her pedigree radiates an accentuation of the blood of Avondale and Whitehall Sultan. Her dam is a granddaughter of the five times International Grand Champion, Ceremonious Sultan. This sale represents the last opportunity to buy the daughters of the 1939 International Grand Champion Oakwood Merry King and we never sold a better daughter of the old sire. Scrutinize her pedigree. Doesn't she inherit her outstanding excellence? Sweet fronted, deep bodied, thick, level in her lines, she's a show prospect and one whose worth as a brood cow is beyond question. Top herds come through her kind, for she is truly one of the BREED'S BEST!

**Oakwood Fortune 15th**

Oakwood Fortune 15th is a dark, even, roan daughter of the 1939 International Grand Champion Oakwood Merry King, and out of a daughter of Oakwood Royal King, thus representing your last chance to secure a heifer with 50% of the blood of the greatest sire in Polled Shorthorn history. Her dam has been a consistent producer of top calves, a heavy milker and the type every one chooses to be a top brood cow. We hesitate to see her leave our breeding herd, but her dam has another heifer calf and that is our only reason for listing Oakwood Fortune 15th.

She sells mated to Gosshall Ximenes. Study his calves out of Oakwood Royal King bred dams and you'll have just cause to aspire to her ownership.

**Oakwood Vanity Fair 2d**

If you like them sweet headed, deep bodied, thick and chock full of quality you'll appreciate that Oakwood Vanity Fair 2nd is a sensation in females. She looks like a queen in any company and does full credit to Oakwood Nonesuch as a sire. N. J. Busch bought the last heifer out of this cow and she was one of the promising prospects in our last sale. The dam of this heifer was our choice of the 1941 Theiman Sale offering and her dam produced the 1939 International Junior Champion Cherry Coronet, who in turn sired our 1941 International Grand Champion, Coronet Command. Oakwood Nonesuch is intensely bred in the blood of Oakwood Royal King and we consider the combination of bloodlines this heifer carries to be most desirable and dependable. You may buy her with fullest confidence. Few of her kind are ever offered!

**Oakwood Juno**

**Oakwood Juno** is a dark, even, mossy coated roan heifer that is intensely bred in the blood of the best sires used at Oakwood and of the Juno family that has produced many of our best cattle. Her sire is a duplicate of Oakwood Merry King and he sires the same kind. Note that her dam is by Oakwood Royal Flash, her granddam by Oakwood Regent, our 1934 International Grand Champion, and the next dam is by Oakwood Royal King. We rate the inheritance of this heifer second to none and she is of top calibre individually. Broody about her front, low set, deep bodied and smoothly turned she will make a top breeding cow. Study this pair of daughters of L.B.S. King's Ransom and you'll give them a top rating. Own them and they'll prove the depth of your vision and confidence.

## OAKWOOD ORANGE BLOSSOM 3D x2279147

Roan, calved Oct. 11, 1944. Bred by M. W. Libbey, Washington C.H., Ohio; 2d owner, May 15, 1945, C. B. Teegardin & Sons, Ashville, Ohio.

Oakwood Orange Blossom 3d

**Oakwood Orange Blossom 3rd could be a top heifer in the best company. From any angle she pleases. Head, depth of body, shortness of leg, fullness of quarters and balance, she has it all! She is a granddaughter of Oakwood Merry King and her dam is a solid red heifer that is staying in our breeding herd. She is sired by a solid red, three-fourths brother to our 1940 International Grand Champion Oakwood Commander and Oakwood Royal Flash was a sire of correct pattern. Analyze this pedigree from top to bottom. The sires lend confidence and place a seal of quality upon such an attractive and richly bred heifer. The man who founds his herd on her kind will receive the deserved patronage of critical breeders everywhere for she can write a new chapter in Polled Short-horn achievement!**

**Oakwood Magic King x**

Oakwood Mistress 5th is a full sister to Oakwood Magic King who has sired so many champions and sale topping cattle for the Leemons of Hoopeston, Illinois. Her dam is a good, thick, heavy milking daughter of Oakwood Resolution, a championship winner at the 1933 International who has sired many winners for the Gundibri Stud in Australia. Her granddam is the dam of the \$2500 bull sold in our 1944 Sale to E. L. Killen and one of the most consistent producers of champions we ever owned. Four International Champion bulls at the top of her pedigree on top of the \$20,000 Imp. Rodney and the great cow Mistress Ethel leave nothing to be desired in point of breeding. She sells mated to Gosshall Ximenes and the calf could be worth a small fortune. Own her and she will prove it!

**Victoria of Oakwood**

Victoria of Oakwood B is one of the three daughters of the 1936 International Grand Champion being sold and this is the last opportunity to buy his daughters. This heifer is a sweet headed, deep bodied little lady and we regret that we did not get a picture of her. She is out of a cow that has produced well, a heavy milking cow that always raises two calves. This heifer is out of the same cow as Browndale Golden Victor, the bull that has sired so many good daughters that we have sold in past sales. A full sister went to E. A. Dudley Jr. of Va. in our 1941 Sale and she has made a great cow.

Note the array of sires back of this heifer and consider her worth in your herd as a daughter of Oakwood Emperor, remembering that these Victorias have been long noted as producers of the best, then you will aspire to own her.

**Alpine Ruberta 10th**

When you've seen Alpine Sensation and have studied his shortness of leg, his perfect top, his depth and thickness, you'll immediately have a fuller appreciation of Alpine Ruberta 10th for she is a three-fourths sister to this young bull. This Lady Dorothy heifer is of the richest lineage and of a family of consistently good cattle. She is line bred in the blood of Lord Collynie and is a deep bodied, short legged, rich roan. Her granddam is sired by a son of the International Grand Champion Dorothy Anoka, the next dam is a granddaughter of the winner, Western Star, and then we have the celebrated Cumberland's Last. She is selling mated to Gosshall Ximenes and that should make her doubly attractive. What a herd bull she could deliver.

**Bellevue Broadhooks x**

Bellevue Broadhooks is a beautiful dark, rich, roan and a heifer whose inheritance is equally attractive. Her sire left many top cattle in the herds of J. M. Fishpaw and Sons and Harry McCann in Va., where he was in service until he was twelve years old. He was sired by the 1929 International Grand Champion Oakwood Rodney and out of the granddam of Oakwood Union Jock, selling in this sale. Her dam is by a dark roan grandson of Naemoor Jasper, the breed's greatest Scottish sire, while the second dam is by the International Junior Champion Calrossie Lord Rothes, one of the best bulls brought to Edellyn from Scotland. You couldn't write a stronger Broadhooks pedigree and you never saw many heifers of her thickness. She is heavy in calf to Oakwood Command and that makes her doubly desirable. Own her and the years ahead will prove your judgment.

Lynnwood Juno 2d

Lynnwood Juno 2nd is a heifer we chose in the 1944 Lynnwood Sale to mate to Goshall Ximenes. In the first place, she was RIGHT in type. In the second place, her dam has consistently produced top calves at Lynnwood. Thirdly, her sire, Lynnwood Defender, sired a uniformly good lot of pleasing calves and finally, this family has done so well in our herd that we rated her as a "sure bet". See her on Sale day. Note her thickness, her substance and her character and you will share our confidence in her as well as in her mating to Goshall Ximenes.

**Oakwood Scottish Duchess**

Oakwood Scottish Duchess is a nugget of excellence, a beautiful rich roan with as sweet a head as you could want. She is deep bodied, short of leg, compact and full quartered, a show heifer and a breeding prospect of top rank. She comes by her excellence through generations of outstanding sires on top of a Duchess of Gloster foundation. We hate to see her leave Oakwood, but we know she will be popular with the buying public on Sale day for so few of her kind are ever offered. Consider what she could do for your herd in the next ten years, for she is the kind that will strengthen the best breeding herd in America.

**Lavender Lady 5th**

What a heifer! That's what visitors exclaim when they see Lavender Lady 5th. Dark, even, rich, roan and with the head of a breeding cow, she combines thickness, compactness and full quarters with shortness of leg and a world of class. Her dam is a truly great cow by Roland Clipper who is one of the greatest sires in Canada and whose get have consistently topped their sales. The second dam is by the well known Glastullich Moonshade, Scotland's best! We hate to see this heifer leave our breeding herd, for her outstanding promise and her rich inheritance assure unlimited worth. She sells mated to Alpine Sensation, the 1945 All American Champion. A calf of true championship calibre is certain. Who will be her lucky owner?

### Walnut Grove Lavender 2d

Walnut Grove Lavender 2nd is all you would desire in a breeding matron. She has a broody head, is deep bodied, roomy, thick and low set and a most desirable member of one of the breed's best families. This is the family that produced Oakwood Lavender 10th, our 1938 International Grand Champion female.

This heifer is a daughter of Oakwood Emperor out of a solid red cow by the sire of our 1940 International Grand Champion, Oakwood Commander; next dam by our 1927 International Grand Champion, Oakwood Baron. We predict she will be one of the most popular bred heifers in the entire offering.

She is heavy in calf to Oakwood Commander, the short legged red bull who has been so popular with every one who has ever visited our farm. Don't fail to study him on Sale day. This heifer, bred to him, could occupy a position of prominence in the best herd in the land!

**Seven Oaks Martone B**

Seven Oaks Martone B is a solid red heifer that will be popular with all critical judges. We predict that she will be a general favorite with everyone. From top to bottom her pedigree sparkles with inheritance that is proven. For three seasons we have sold daughters of Gainford Gondolier and last season his daughters averaged \$735. He is out of the dam of this heifer.

This heifer is mated to Oakwood Lieutenant Commander, the \$4000 bull recently exported to South Africa. We hope visitors will inspect his calves on Sale day for they prove him a most impressive sire. We expect to show a Get of Sire group next year that will remove any doubt as to their calibre. The breed never had enough of her kind. What they cost isn't important, it's whether our or not you own them that counts!

Lynnwood Secret 3d

We rated Lynnwood Secret 3rd as the best female in the 1944 Lynnwood Sale and the best daughter of Collynie Type 3rd that had been offered for sale. We feel a study of her on Sale day will bear out our confidence in her. She is modern in type, perfect in her color, level, thick, short of leg and a balanced heifer from end to end. This family has produced top cattle in every herd in which they are found and rightly so. She will carry on that tradition. To perfect her desirability she sells mated to Gossshall Ximenes and we will follow with interest the calf she will deliver for it will have a perfect background and all rights to achievement extraordinary!

**74th Duchess of Gloster**

74th Duchess of Gloster is a three-fourths sister to 73rd Duchess of Gloster who topped our 1944 females at \$2100 to become a member of the strong herd of H. L. Straus of Maryland. This heifer, too, will be popular with good judges for she is thick, deep bodied, level and has a brood cow head and front. Her breeding is right. Study her pedigree from top to bottom, it simply lends confidence to her worth. Her sire is a grandson of the 1929 International Grand Champion Oakwood Rodney and also a grandson of Oakwood Memory, a 1931 Junior Champion. Her dam is a granddaughter of Raveni Leader (one of the greatest show bulls and sires of the Shorthorn breed) and the next dam is a granddaughter of the \$5000 Edellyn Brownwood. And so on down, there isn't a bull that doesn't strengthen her right to make a great cow. We have mated her to Oakwood Commodore and we are confident of the calf she will deliver — for he is the image of his sire, Gosshall Ximenes.

**Gainford Clipper B 2d**

**Gainford Clipper B 2nd** is a dark, even, rich roan with a sweet, breedly head and front. She is a full sister to Gainford Clipper 4th who went to J. W. McCord, Lexington, Ky. in our last sale at \$800. This heifer will be popular with thinking cattlemen for her thickness, compactness and balance are evident. She belongs to one of the most prominent and popular families and her pedigree radiates bulls of known repute. She is one of two heifers selling mated to Oakwood Lieutenant Commander, recently sold at \$4000 to King Bros. of South Africa. His calves will be heard from in 1946 shows and sales and we know her buyer will get a calf of outstanding calibre. Take a look at Oakwood Clipper if you want to see how these Gainford Clippers breed. No more convincing proof could be offered.

Browndale Sunray

Browndale Sunray was sold in our 1944 Sale with a short service date and broke service, so we replaced her with another heifer. She will rate as one of the most desirable bred heifers in the best company. She is a deep, rich, solid red heifer and being a daughter of the solid red 100% dehorning sire, Browndale Golden Victor, greatly enhances her worth. Consider well the fact that this bull sired the dam of our herd bull, Oakwood Command, as well as the dam of Oakwood Golden Victor, who is the outstanding bull selling in this sale. Study this pair of bulls and see how these daughters of Browndale Golden Victor breed on. The best calf produced at Montana Hall by Mrs. Hewitt is out of another Browndale Golden Victor dam. This heifer will calve shortly after the sale to Oakwood Command and we predict that the calf will be a sensation in color, thickness, depth and shortness of leg. Richly bred, from a highly regarded family, we are optimistic about her worth in any herd.

Crescent Graceful 36th

Crescent Graceful 36th is a dark, even roan that is backed by an inheritance of unusual worth. Her sire is a thick, dark, roan son of the 1938 International Grand Champion Lee Dale Collynie, whose daughter topped our 1943 Sale at \$2500. Her dam is a grand daughter of Village Commander who topped his class at the International as a senior bull. Her granddam is by a grandson of the 1925 International Grand Champion Mardale and the next sire is by the same sire as the ever popular International Grand Champion Cloverleaf Royal.

Imported Graceful 40th was one of the best Law Gracefuls to ever leave Scotland and down through the years this line has been tops with exacting breeders. This heifer sells mated to Alpine Sensation, the All American Champion, that we regard as the shortest legged, thickest, yearling bull we ever owned. No gamble on the future of this heifer or the worth of the calf she is carrying.

**Crescent Roan Lady**

Crescent Roan Lady is a heifer we bought to mate to Goss Hall Ximenes. When you see her Sale day you'll understand why we believe in her. Her individuality is inherited through generations of good sires. Study them and their contributions to Polled Shorthorn progress. Her sire is a son of the 1938 International Grand Champion and her dam is a grand daughter of the same bull and about as pleasing a brood cow as any herd owns, being thick, deep bodied and a very heavy milker. The granddam is by a grandson of Village Count, sire of Oakwood Royal King, then Ringleader 2nd, sire of the 1918 International Grand Champion bull sold to South America at \$5000. History was made by her ancestors and she will write another chapter. Her calf by Goss Hall Ximenes assures the worth of her first contribution.

Rosewood 97th is one of the thickest heifers in the offering; deep bodied, short legged, roomy and level, she has ample scale and ruggedness to make a grand breeding matron. She is by Gainford Gondolier and thereby a half sister to the \$2100 top female in our 1944 Sale. She is a richly bred Bruce Rosewood backed by the best sires of the breed: Ballylin Archer (son of Imp. Rodney), King's Secret (an International Grand Champion), Revolution and Maxwalton Renown (two of Avondale's greatest sons).

She is heavy in calf to Oakwood Command and we hope she becomes a foundation female for a new breeder who aspires to own a collection of the best animals of the breed. Don't pass her and regret it in the years ahead!

Mark Mont Rosewood 23d

Mark Mont Rosewood 23rd is a rich, solid red heifer that will be regarded as one of the best bred females in the offering. History records the achievements of her ancestry in volumes! Her sire is a solid red 100% dehorning grandson of the International Junior Champion, Cumberland Sultan. Divide Searchlight is a son of Browndale Archer and was the top bull in the International Sale. Garguston Challenger was an imported bull of note, while Silverheart was undefeated in all the shows of 1920 and Village Royal sired the 1920 International Grand Champion, Cloverleaf Royal. Collynie Rosewood 3d was one of the best known cows ever to leave the herd of Wm. Duthie and this heifer is a worthy descendant.

She sells mated to Gosshall Ximenes and what a calf that should be! She will produce a calf that should be a model of perfection.

**Claytoun's Coronita 2d**

When Paul Jr. looked over the females at the 1945 Congress he chose this heifer as one that he wanted to buy for his contribution to our sale. If you like them short of leg, compact, deep bodied and wide out, you'll agree that she fills the bill. Her sire is out of the champion, Victoria Coronita, and this heifer's dam was the Grand Champion female at the 1943 Missouri State Show and Sale.

This heifer belongs to the Fancy of Ardmore family, a family noted for the consistent production of top cattle.

Son chose Oakwood Commodore as the bull to whom he wanted to mate her and we think he was right again, for this son of Gosshall Ximenes is destined to be a sire of note. Mark her for thoughtful consideration for she deserves it.

Golden Coronita 2d

Golden Coronita 2d is a daughter of Claytoun Coronet, sire of so many Grand Champions and sale toppers for the Thiemans. You'll like the breed, brood cow balance of this heifer, her color and her type. She is well along in calf to Goshall Ximenes and we have every confidence in the worth of that mating. Don't pass her and find that you missed an opportunity to get your next herd bull. Take a second look here.

**Oakwood Orange Blossom 4th**

**Oakwood Orange Blossom 4th** will be recognized as one of the best. She has a head that indicates quality, smoothness and character and she is a perfect example of all three. You'll not find a smoother or more balanced little brood cow anywhere. Her sire is a Junior Champion son of Oakwood Merry King out of the dam of Oakwood Emperor. He is siring grand calves in the Landen herd and rightly so. The dam of this heifer is a red cow of ideal type, a heavy milker and a top notch breeder. You will note she is a granddaughter of Beauty's Sultan, the leading sire of his day in the West and backed by a family that for three decades has produced many champions in the Stewart herd.

We don't know her worth, but we know you can drive many days in search of another of her kind.

**Lady Cowslip 5th, the dam of Lot 45**

**Oakwood Cowslip** is a daughter of our 1936 International Grand Champion Oakwood Emperor and she is one of the most promising brood cows in the entire sale. Her dam was one of the thickest females we sold in our 1943 Sale when she went to Harry L. Huether of Baltimore, Md. This is a most attractive pedigree and a family that represents Scotch breeding at the best. Good cattle in any company and in any herd.

You'll like this little lady from end to end. Good head, compact, thick, level and smoothly turned, she has everything! We regret very much that her photograph was a failure, but we are showing you her dam. She sells mated to Gosshall Ximenes and that should insure a high interest in her. She will always be a bargain at any cost.

### OAKWOOD MAYFLOWER x2245491

Roan, calved Jan. 11, 1944. Bred by Geo. R. Landen, Cincinnati, Ohio. Owned by C. B. Teegardin & Sons, Ashville, Ohio.

**Oakwood Happiness 4th and Mayflower Maid 4th, the two top-priced females of the 1941 Polled Congress Show and Sale. Consigned by C. B. Teegardin & Sons. They won the trophy for best pair consigned by one breeder, which was presented by Mr. and Mrs. Lynn, owners of Lynnwood Farm, Carmel, Ind. Teegardin & Sons repeated this winning again in 1942 with a full sister to the one heifer and a three-quarters sister to the other one. Lot 46 in this sale is from the same family as Mayflower Maid 4th.**

Oakwood Mayflower is a roan heifer of richest background. She looks a brood cow and certainly she is bred right to thoroughly fulfil her promise. She is by Oakwood Emulator, a Junior Champion son of Oakwood Merry King, out of the dam of Oakwood Emporer. Her dam is by Gloster Dale 2nd, full brother to Gloster Dale, the Blomstrom herd sire whose son was the 1941 International Junior Champion. The granddam is an older full sister to Mayflower Maid 4th, 1941 Congress Grand Champion female who went to Lynnwood at \$1000. The next dam is still here at Oakwood and is easily one of our best breeding cows. We should rate the breeding of this heifer in the top bracket and her mating to Goss Hall Ximenes should make her enjoy uniform favor with all. Own her with confidence. Her kind never costs too much!

**Victoria of Oakwood C**

Victoria of Oakwood C is a richly bred Cruickshank Victoria, whose granddam is a sister to the dam of Oakwood Command and to the dam of Oakwood Golden Victor, selling in this sale. Her dam is a granddaughter of Oakwood Emperor, her granddam by Browndale Golden Victor and the third dam is a granddaughter of Oakwood Royal King. The sires in this heifer's pedigree lend ample assurance to her right to make a truly great cow. If you like good broody heads, short legs, deep bodies and style, this heifer will please you in each count. She sells safely settled to Gosshall Ximenes and we will watch the calf she is carrying with genuine interest, for it should be of championship calibre.

Red, calved May 21, 1944. Bred by Geo. R. Landen, Cincinnati, Ohio. Owned by C. B. Teegardin & Sons, Ashville, Ohio.

**Oakwood Golden Rose** is a solid red granddaughter of **Oakwood Loyal King, Jr.**, the bull who topped his class at the 1941 Congress. He was purchased by Wertz Bros., Bancroft, S. D., in whose hands he has sired calves to win championships and top the Sioux Empire Sale.

Her dam is by a rich, dark roan son of the 1931 Junior Champion, **Oakwood Memory**. She carries a beautiful Bruce Rosewood pedigree and she has every right to prove an excellent brood cow. She is mated to **Gosshall Ximenes** and that should leave nothing lacking in desirability.

Roan, calved April 1, 1944. Bred by M. W. Libbey, Washington C. H., Ohio. Owned by C. B. Teegardin & Sons, Ashville, Ohio.

**Oakwood Juno L** is a roan daughter of the solid red, one hundred percent de-horning bull, **Oakwood Royal Flash**. He is by the same sire as **Oakwood Commander**, the 1940 International Grand Champion who is siring such outstanding calves for Geo. E. Smith of Keokuk, Iowa, and out of a daughter of **Oakwood Royal King**, thus making him a three-fourths brother to **Oakwood Commander**. The dam of this heifer stood second at the 1940 International and the breed has few better cows. Note that the grand-dam is by our 1934 International Grand Champion **Oakwood Regent** and the next dam by **Oakwood Royal King**. This heifer is not in high flesh and will not bring her worth. However, her new owner will get a heifer that will make a real contribution to the success of his herd. She sells bred to **Oakwood Crown Command** and when you see him Sale day you'll want this heifer.

Oakwood Royal King x. "The Breed's Greatest Sire." Grand champion 1930 International Live Stock Show. Sire of four International grand champions and five first prize International Get of Sire groups. No bull ever made a greater record. Spent his entire service at Oakwood Farm. His blood dominates the herd.

For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King. No other Polled Shorthorn bull has ever equalled or even approached this record.

Here are five of the beautiful brood matrons in the Oakwood Herd. Left to right — Oakwood Harmony, Oakwood Lavender 10th, Roan Lady of Oakwood, Oakwood Estelle 12th, the 1940 grand champion and Oakwood Julia. All are daughters of the International grand champions Oakwood Royal King and Oakwood Emperor. Many superior animals, bred just like these, are to be sold in this sale.

# *POLLED SHORTHORNS*

**"THE ULTIMATE TYPE"**

The get of five International grand champion bulls are represented in this picture. Only at Oakwood Stock Farm could such a picture be taken because Oakwood is the only herd that has produced or used eight International grand champion Polled Shorthorn bulls.

We want to express our appreciation to Harvey Ferguson, our herdsman, for his untiring efforts in presenting this, our best sale offering. With little help, he has developed them properly and well and he has done it along with the responsibility of handling the breeding herd.

**Please don't forget the Ohio Polled Shorthorn Show and Sale at Columbus on the day following the Oakwood Sale.**
